

## FirstTel Communications

100 % Aboriginally owned and operated, FirstTel tailors services for your telecommunication needs. An alternative choice for your Local and Long Distance communications with no hidden fees or charges and with competitive rates, FirstTel is a reliable national network.

There are many reasons to switch to FirstTel today!

- Choose from any combination of Local, Long Distance, or Toll Free services
- Your phone will work exactly the same as it does now
- The same phone book listing, 411/911 services and your choice of calling feature
- You won't have to change numbers, and it won't cost you a cent to switch your telephone services
- SINGLE BILL for Local, Long Distance, and Toll Free services
- FAST and RELIABLE network on Digital Fibre Optic Lines
